NOTICE OF PROPOSED RULEMAKING

Adopted: April 30, 2004

Released: May 3, 2004

Comments Date: June 24, 2004

Reply comments Date: July 9, 2004

By the Assistant Chief, Audio Division:

1. The Audio Division has before it a petition for rule making filed by Charles Crawford ("Crawford"), proposing the allotment of Channel 236A at El Indio, Texas. Crawford stated his intention to file an application for Channel 236A at El Indio.
2. We believe the proposal warrants consideration because the proposed allotment could provide a first local FM broadcast service to the community of El Indio. Crawford states that El Indio is a Census Designated Place with a population of 263 people. El Indio has its own post office and zip code, community center, several churches and a number of local businesses serving the residents of the community. A staff engineering analysis indicates that Channel 236A can be allotted to El Indio consistent with the minimum distance separation requirements of the Commission's Rules with a site restriction 1.3 kilometers (0.8 miles) southeast of the community at coordinates 28-30-22 NL and 100-18-03 WL. Since El Indio is located within 320 kilometers of the U.S-Mexican border, concurrence of the Mexican Government will be requested for the allotment of Channel 236A at El Indio.
3. In view of the fact that the proposed allotment could provide a first local FM broadcast service to El Indio, Texas, the Commission believes it would serve the public interest to solicit comments on the proposal to allot Channel 236A to El Indio. Therefore, we will seek comments on the proposed amendment to the FM Table of Allotments, Section 73.202(b) of the Commission's Rules, with respect to El Indio, Texas:

	Channel No.

El Indio, Texas	---- 236A

In particular, we note that a showing of continuing interest is required by paragraph 2 of the *Appendix* before a channel will be allotted.
5. Interested parties may file comments on or before June 21, 2004, and reply comments on or before July 6, 2004, and are advised to read the *Appendix* for the proper procedures. Comments should be filed

with the Federal Communications Commission, Office of the Secretary, 445 Twelfth Street, SW, TW-A325, Washington, D.C. 20554. Additionally, a copy of such comments should be served on Crawford, as follows:

7. The Commission has determined that the relevant provisions of the Regulatory Flexibility Act of 1980 do not apply to a rule making proceeding to amend the FM Table of Allotments, Section 73.202(b) of the Commission's Rules.¹

8. For further information concerning this proceeding, contact Rolanda F. Smith, (202) 418-2180. For purposes of this restricted notice and comment rule making proceeding, members of the public are advised that no *ex parte* presentations are permitted from the time the Commission adopts a *Notice of Proposed Rule Making* until the proceeding has been decided and such decision is no longer subject to reconsideration by the Commission or review by any court. However, any new written information elicited from such a request or a summary of any new oral information shall be served by the person making the presentation upon the other parties to the proceeding unless the Commission specifically waives this service requirement. Any comment which has not been served on the petitioners constitutes an *ex parte* presentation and shall not be considered in the proceeding.
